

## Night Running Rules and Conditions

Effective October 21, 2021

The Board of Directors has approved the reinstatement of “Night Running” subject to the rules and conditions that follow. Members are reminded that night running is a privilege and is governed by the honor system.

1. Night Running is allowed on Saturdays between 3:00 p.m. and 9:00 p.m. under the supervision of a Night Running Manager who will be the Yardmaster for the Night Running session.

2. The Board of Directors has appointed two persons as Night Running Managers. If neither Night Running Manager is available for a Night Running session, the session will be canceled. If no Night Running Manager will be available for a night running session an email advising cancellation of that session will be sent to all members at least 24 hours before that session is scheduled to start.

3. In addition to being the Yard Master for Night Running sessions, the Night Running Manager is also responsible for managing the overall operation of the session. As manager of the night running session the Night Running Manager may: 1) in his discretion terminate the session at any time prior to 9:00 p.m. for safety or other reasons and 2) eject any person who, in the sole judgment of the Night Running Manager: A) has become disruptive to the good order and operation of the session; B) poses a threat to the safety or security of others or to Club property; C) fails to abide by the Rules and Conditions for Night Running established by the Board of Directors or D) violates the Rules for Members, Guests, and Visitors adopted by the Board of Directors posted in the club house.

4. Night Running is limited to Club members. Non-members, including non-member guests of members, are not allowed in the club house during Night Running sessions.

**5. Any member who participates in a Night Running session is responsible for any damage to the layout, club property, or the club house caused by him. Any such occurrence must be reported to the Club via a Layout Trouble Ticket.**

6. For the safety of members participating in Night Running the door to the club house will be locked at 6:00 p.m. or earlier, in the sole discretion of the Night Running Manager. Members arriving after the door has been locked are reminded that there is a bell on the front door that they can ring to gain entrance.

7. Members under the age of 18 and members who have special needs who attend a Night Running session must be accompanied by a parent or guardian at all times.

8. Consumption of alcoholic beverages is prohibited in the club house during night running sessions.

9. All members attending a Night Running session must sign the special sign-in sheet.

10. Members who participate in a Night Running session must leave the club house in broom clean condition and must leave the layout in the same or better condition than it was in at the beginning of the session.
